

iStamp[®] Re-Inking Instructions

1 Remove handle by holding the bottom base and pulling off the handle.

2 Add 10 drops through each ink port. Add 20 drops for sizes that have a printing area of 6 square inches or larger. *Note: Use iStamp™ ink only.*

3 Replace the handle. Stamp is ready for use after 30 minutes. Repeat procedure if necessary.

Use iStamp[®] ink only
